BioWave

ANPR

About Us

BioWave is an advanced centralised management platform developed by Arana Security, a leading integrator of innovative and user-friendly technologies.

BioWave offers a comprehensive suite of solutions aimed at streamlining your business operations. Our systems are versatile and scalable, integrating seamlessly with your existing infrastructure.

What is BioWave ANPR

BioWave ANPR (Automatic Number Plate Recognition) is a cutting-edge solution allowing real-time vehicle identification through number plate recognition.

Ideal for parking management, security checkpoints, and automated access control, BioWave ANPR automates vehicle entry, improving efficiency while enhancing security.

Industries We Serve

- PARKING FACILITIES
- CORPORATE OFFICES
- GOVERNMENT BUILDINGS
- RETAIL
