OUR SOLUTIONS

At Arana Security, we understand the unique challenges gyms face. From managing member access to ensuring the safety of your staff and facility, our advanced solutions integrate effortlessly into your operations. Transform your gym's security and efficiency with customised systems that cater specifically to your needs.

KEY CHALLENGES

- ✗ Unauthorised access by non-members
- ✗ Lack of security in critical areas
- ✗ Delays caused by inefficient entry processes
- ✗ Time-consuming staff management and scheduling

ACCESS CONTROL

MOBILE ACCESS

Grant employees and visitors secure access via their smartphones, enabling easy and convenient mobile-based entry without physical keys or cards.

GATES AND TURNSTILES

Control and monitor member access at entry points with automated gates and turnstiles, ensuring only authorised users can enter.

CARD ACCESS

Card access systems offer a trusted and cost-effective method for managing access to your facilities.

BIOMETRIC ACCESS CONTROL

Grant access to critical areas, such as locker rooms, staff-only zones, and fitness classes, using biometric technology (fingerprint or facial recognition) for secure and authorised entry.

TIME MANAGEMENT

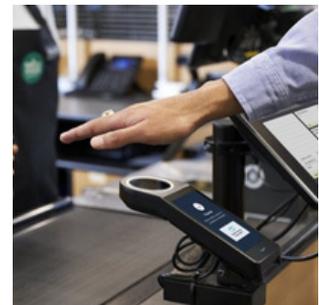

Use BioWave Time Attendance to simplify staff management by automating attendance tracking, managing schedules, and streamlining payroll preparation.

CCTV SURVEILLANCE

Monitor your gym with advanced CCTV systems, providing real-time video footage and recorded evidence for critical areas such as equipment storage, entrances, and parking lots.

BIOMETRIC PAYMENT

Enhance the payment process with biometric solutions. This speeds up transactions while eliminating fraud and simplifying the customer journey.
