OUR SOLUTIONS

At Arana Security, we understand the importance of safety, efficiency, and trust in healthcare environments. From secure patient management to protecting sensitive data and assets, our advanced solutions seamlessly integrate into your operations, delivering tailored systems to meet your healthcare facility's unique needs.

KEY CHALLENGES

- ✗ Unauthorised access by non-members
- ✗ Lack of security in critical areas
- ✗ Delays caused by inefficient entry processes
- ✗ Time-consuming staff management and scheduling

ACCESS CONTROL

MOBILE ACCESS

Enable healthcare staff to quickly and securely access critical areas through mobile app-based authentication, reducing the need for physical ID cards.

CARD ACCESS

Prevent unauthorised access to sensitive areas and protect confidential patient data with advanced access control.

BIOMETRIC ACCESS CONTROL

Grant access to critical areas, such as locker rooms, staff-only zones, and fitness classes, using biometric technology (fingerprint or facial recognition) for secure and authorised entry.

Facial Recognition

TIME MANAGEMENT

Use BioWave Time Attendance to track and optimise staff hours, streamlining scheduling and improving workforce efficiency.

CCTV SURVEILLANCE

Employ high-definition cameras with intelligent analytics to monitor sensitive areas in real-time. This strengthens safety and supports compliance with healthcare standards.

BIOMETRIC ID

Implement fingerprint or facial recognition to secure the identification of patients and staff and prevent unauthorised access to medical records with BioBox.
