OUR SOLUTIONS

At Arana Security, we understand the evolving needs of the hospitality industry. From ensuring guest safety to streamlining check-ins and managing staff, our integrated security solutions are designed to enhance every aspect of hotel operations. Whether it's securing guest rooms, managing access to restricted areas, or providing seamless payment experiences, our advanced systems support hotels in delivering exceptional service.

KEY CHALLENGES

- ✗ Preventing unauthorised access to restricted storage areas.
- ✗ Managing and monitoring staff, visitors, and delivery schedules.
- ✗ Reducing security risks associated with large inventory volumes and high-value goods.
- ✗ Managing vehicle access for loading bays and secure perimeters.

ACCESS CONTROL

MOBILE ACCESS

Offer cardless entry to guests and staff through their smartphones, removing the need for traditional keycards and improving operational efficiency.

GATES AND TURNSTILES

Manage controlled access to exclusive areas such as spas, pools, and conference rooms with integrated gates and turnstiles, enhancing both security and flow.

CARD ACCESS

Provide secure RFID or smart cards for guests and staff, allowing for flexible access control aligned with your hotel's needs.

BIOMETRIC ACCESS CONTROL

Use facial or fingerprint recognition to secure guest rooms, back-of-house areas, and executive spaces, ensuring only authorised access.

REMOTE ENROLMENT

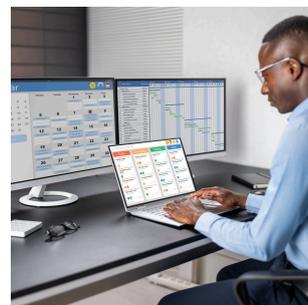

Allow guests to securely enrol their biometric data before arrival through remote facial recognition, enabling seamless check-in, room access, and service personalisation.

CCTV SURVEILLANCE

Monitor lobbies, hallways, entrances, and critical areas with advanced CCTV systems, ensuring real-time surveillance and incident recording for guest and asset protection.

TIME ATTENDANCE

Accurately track staff hours, shifts, and attendance with BioWave Time Attendance to optimise workforce management and compliance.
